

Solder Board-Component View 10	 A photograph of a green, circular printed circuit board (PCB) component, labeled 'Solder Board-Component View 10'. The board is positioned on a blue textured surface. To its left is a vertical ruler with markings from 1 to 8 cm. Below the board is a horizontal ruler with markings from 1 to 8 cm. The PCB features various electronic components, including a central integrated circuit (IC) with 'WALTEK' branding, several smaller ICs, resistors, and capacitors. Two white plastic connectors are visible on the top and bottom edges of the board. The board is marked with 'MARK' and '2020119'.
Solder Board-Component View 11	 A photograph of a green, circular printed circuit board (PCB) component, labeled 'Solder Board-Component View 11'. The board is positioned on a blue textured surface. To its left is a vertical ruler with markings from 1 to 8 cm. Below the board is a horizontal ruler with markings from 1 to 9 cm. The PCB features various electronic components, including a central integrated circuit (IC) with 'WALTEK' branding, several smaller ICs, resistors, and capacitors. The board is marked with 'MARK' and '2020119'.
