

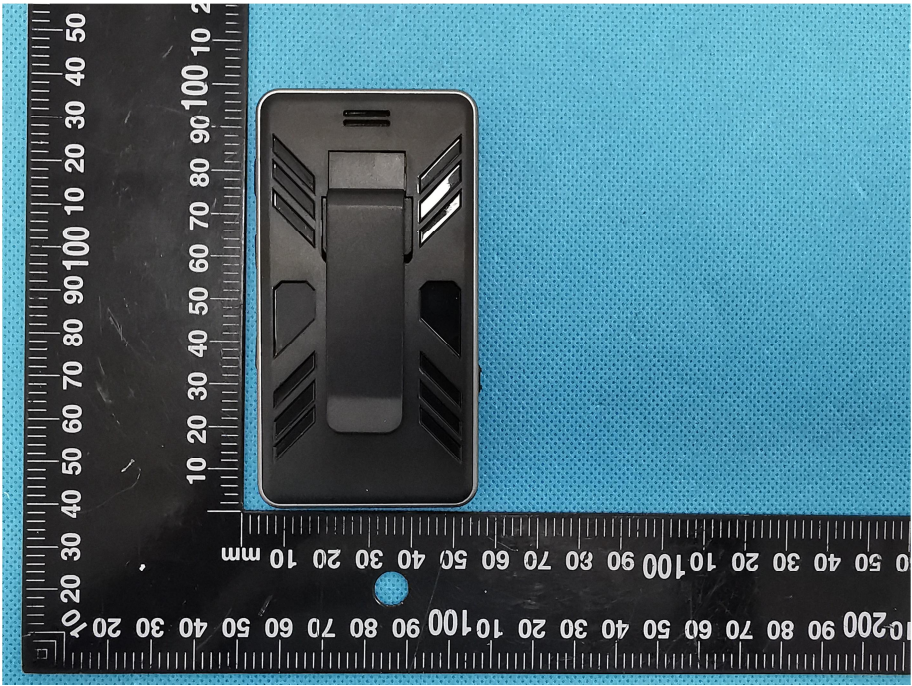

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing an external view of an MP3 player, a black charging cable, and a pair of white earbuds. The MP3 player is black with a screen displaying "MP3 PLAYER" and some icons. It is placed next to a black ruler with white markings. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The background is a blue textured surface.
EUT View 2	 A photograph showing an external view of the MP3 player. The MP3 player is black with a screen displaying "MP3 PLAYER" and some icons. It is placed next to a black ruler with white markings. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The background is a blue textured surface.

EUT View 3	 A black rectangular device, likely a USB drive or a small electronic component, is shown from a top-down perspective. It has a central rectangular slot and diagonal patterns on the sides. The device is placed on a blue textured surface next to a ruler for scale. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A black rectangular device, likely a small electronic component or a USB drive, is shown from a side perspective. It has a screen and buttons. The device is placed on a blue textured surface next to a ruler for scale. The ruler shows measurements in millimeters and centimeters.

EUT View 5	 A top-down view of a black, rectangular MP3 player. The device has a silver-colored bezel around the screen. Above the screen, there are several small, light-colored buttons. The text "MP3 PLAYER" is visible on the top edge of the device. Below the device is a black ruler with white markings, showing measurements in centimeters and millimeters. The ruler is placed horizontally, with the 0 mark on the left and the 100 mark on the right. The background is a light blue textured surface.
EUT View 6	 A side view of the same black MP3 player. The device is shown from the left side, highlighting its slim profile. The silver-colored bezel is visible on the top and bottom edges. Below the device is the same black ruler with white markings, showing measurements in centimeters and millimeters. The ruler is placed horizontally, with the 0 mark on the left and the 100 mark on the right. The background is a light blue textured surface.
