Difference description

FCC ID: 2ASF4-KS

Model: keychron K1, keychron K2, keychron K3

The Bluetooth mechanical keyboard manufactured by Shenzhen Bipu Technology, Inc. needs to apply for FCC certification. The applied models are keychron K1, keychron K2, keychron K3. They are the same except for the model, even the principle of the circuit, the electrical structure and all key components related to safety and electromagnetic compatibility are the same. The difference does not affect electromagnetic compatibility and safety.
