Re: § 2.933 Change in identification of equipment

To Whom It May Concern:

This change in identification of equipment request applies to the original FCC ID: [Z64-WL18DBMOD](#), granted on [3/27/2018](#). The equipment bearing the modified identification (new FCC ID: [PQG-XReader](#)) is electrically identical to the original equipment. Therefore, the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,
