Attention: Reviewing Engineer

The user's manual supplied in this application is written to include several models of **LYNX.sc** radios, many of which have already been certified, to include the radio submitted here. The unit which is being submitted here is the 5.8 GHz, quadruple EI capacity radio (the **LYNX.sc6 (4E)**, model number 31850). As certifications are obtained, the appropriate regulatory information in the manual is edited. When this manual is released for customers, an appropriate statement will be made in the regulatory information cover sheet indicating which models comply with which FCC and IC rule parts and their appropriate certification numbers provided in Section 2 of the manual.

If you have any questions regarding this submission, please feel free to contact the undersigned.

A handwritten signature in dark ink, appearing to read "Ken Ruppel", written over a light blue rectangular background.
