A photograph of the back of a disassembled mobile phone, showing the internal components. The phone is placed on a light-colored surface with two rulers for scale. The back cover is removed, revealing the internal battery, camera module, and various connectors. The phone is oriented vertically, and the rulers are placed horizontally on either side. The left ruler shows measurements from 0 to 300 mm, and the right ruler shows measurements from 0 to 100 mm. The phone's internal components are visible, including the battery, camera, and various connectors. The phone is oriented vertically, and the rulers are placed horizontally on either side. The left ruler shows measurements from 0 to 300 mm, and the right ruler shows measurements from 0 to 100 mm.
