

## Antenna Specification

|                                     |                                                                                      |
|-------------------------------------|--------------------------------------------------------------------------------------|
| Manufacturer                        | Shanghai Sunmi Technology Co.,Ltd.                                                   |
| Address                             | Room 505, No.388 Song Hu Road, Yang Pu District,Shanghai, China                      |
| Model                               | WA-F-LAG0-03-001                                                                     |
| Product Name                        | BT&WIFI&GPS Antenna                                                                  |
| Antenna Type                        | Internal Antenna                                                                     |
| Antenna Photographs                 |   |
| S Parameter<br>(Return Loss, Smith) |  |

| Antenna<br>Gain&Efficiency | Frequency (MHz) | Gain (dBi) | Efficiency (dB) | Efficiency (%) |
|----------------------------|-----------------|------------|-----------------|----------------|
|                            | 1575.42         | 2.57       | -3.40           | 45.67          |
|                            | 2400            | 1.01       | -3.36           | 46.10          |
|                            | 2450            | 0.89       | -3.05           | 49.53          |
|                            | 2500            | 0.59       | -3.58           | 43.86          |
|                            | 5150            | 1.98       | -3.39           | 45.77          |
|                            | 5470            | 2.07       | -2.75           | 53.03          |
|                            | 5725            | 2.08       | -3.27           | 47.06          |
|                            | 5850            | 2.12       | -2.94           | 50.81          |
