

EXHIBIT 9: EXTERNAL and INTERNAL PHOTOGRAPHS**SECTION 2.1033 (c) (12)**

Photographs (8"x10") of the equipment of sufficient clarity to reveal equipment construction and layout, including meters, if any, and labels for controls and meters and sufficient views of the internal construction to define component placement and chassis assembly. Insofar as these requirements are met by photographs or drawings contained in the instruction manuals supplied with the product certification request, additional photographs are necessary only to complete the required showing.

RESPONSE:

Attached below are digital internal and external photographs of the **MCR-1900 / FCC ID: AS5ONEBTS-09** showing the construction and layout are attached along with those showing the installation of the **MCR-1900** in the **FLEXENT OneBTS 4.0 PCS CDMA Indoor Modular Cell**.
