Subject: LONG-TERM Confidentiality request for FCC ID: UCC-WA8011N-HE

To Whom It May Concern,

Pursuant to Section 0.457 (d)(1)(ii) and 0.459 of 47CFR, the applicant hereby requests the Internal Photos / User's Manual contained in this application be permanently withheld from public disclosure which meet the requirements of

INTERNAL PHOTOS :

The device is non-consumer oriented and it is intended for industrial and commercial use. With its mounting kit design, the device should be mounted on top of a large tower/roof-top, and the installation locations are inaccessible to the general public.

The device enclosure is outdoor-grade & weatherproof (IP67, dust and waterproof) by design, the opening up of the device will damage the weatherproof function.

The device is sold to distributors and authorized partners who will provide installation and maintenance support. The installation should be done by professional/trained installors and Altai will provide technical and marketing training to the partners

USER'S MANUAL

The manual is technical-oriented and is not provided to the consumer because the consumer cannot service and access to the device.

Distributors and authorized partners are required to sign the Non-Disclosure Agreement (NDA) with Altai, and any confidential information should not be disclosed to any 3rd party without the consent of Altai.

Sincerely,
