To whom it may concern:

This permissive change request pertains to two Symbol Technologies Inc. products, the CST3040 and the NSA 1040. The two products are electrically identical. The plastic packaging is also identical except for plastic coloring. No changes were made to either unit. No changes were made from the CST3040 that was originally tested to FCC Part 15.247. This SAR testing was done to satisfy the requirements and therefore remove the RF safety warning statement from the product.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Mazzola".
