

LifeSmart

Simply Brilliant

Smart Plug Model. LS061
Setting up your LifeSmart™ Smart Plug
User Guide Version 0.1

PRODUCT INTRODUCTION

The LifeSmart™ Smart Plug adds intelligent control to your outlet to make your life easier. When combined with the LifeSmart™ Smart Station and the LifeSmart™ App, you have infinite control possibilities. Choose to turn ON or OFF your television, stereo, air conditioner, space heater, or coffee maker from across the house or even while you are away. You can even add LifeSmart™ sensors to direct the plug to turn ON the air conditioner when you walk in a room, or turn OFF the television when you leave. Any non-smart product that is directly connected to your LifeSmart™ Smart Plug can be controlled from anywhere, anytime. Brilliant and simple, get ready to experience carefree smart home living that the whole family can enjoy.

WARRANTY DESCRIPTION

Thank you for purchasing this LifeSmart™ product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart™ will provide a free replacement.

ATTENTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart™ Terms Of Service as on the LifeSmart™ App and website;
- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself.

DECLARATION

FCC STATEMENT

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 - This device may not cause harmful interference.
 - This device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
