Re: Change of Identification for FCC ID: N7NEM7455

We hereby request a change in identification as specified under 47CFR2.933 of the FCC rules. This change applies to the radio module, originally granted on 7/28/2015 with FCC ID: N7NEM7455. Sierra Wireless intends to market the above referenced product under new FCC ID: N7NEM7455-D4. The product bearing the new FCC ID is electrically identical to the originally certified equipment.

Sincerely,
