

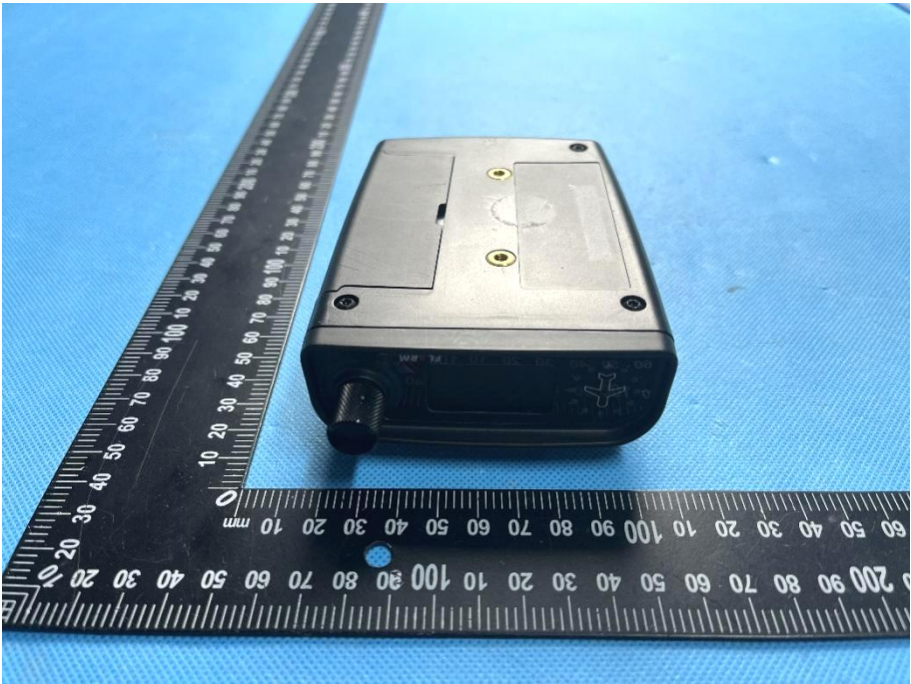

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black electronic device, possibly a modem or router, is shown next to a black ruler. The device is rectangular with a slightly rounded top and a small, dark, rectangular area on its front face. A black cable is connected to the bottom of the device. The ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The background is a light blue surface.
EUT View 2	 A black electronic device, similar to the one in View 1, is shown next to a black ruler. The device is rectangular with a slightly rounded top and a small, dark, rectangular area on its front face. A black cable is connected to the bottom of the device. The ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The background is a light blue surface.

EUT View 3	 A black electronic device, likely a mobile phone, is shown from the back. It features two gold-colored circular components, possibly screws or sensors, arranged vertically. The device is placed next to a black ruler with white markings for scale. The background is a blue textured surface.
EUT View 4	 A black electronic device, likely a mobile phone, is shown from the back. It features a circular component and a small screen or display. The device is placed next to a black ruler with white markings for scale. The background is a blue textured surface.
