To Whom It May Concern:

In accordance with § 0.459 of CFR 47, Listen Technologies Corporation requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams and Parts List Information (Exhibit 5)
3. Operational Description Required for Section 2.1033 (e) (Exhibit 12)

These items contain detailed system and equipment description and related information about the product which Listen Technologies Corporation considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, Listen Technologies Corporation also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
