

MICRO-STAR INTL CO., LTD

FCC ID.: I4L-MS6877

Federal Communications Commission
Authorization and Evaluation Division

July 19, 2006

Class II Permissive Change

FCC ID: I4L-MS6877
Product: Wireless LAN Card
Model: MS-6877

For marketing purpose, we would like to add 5 antennas.
The gains of new antennas are higher than the antenna(s) with which the device was originally approved. Therefore, please allow us to proceed a Class II permissive change filing.

Sincerely,

Vincent Ho / Engineer.
