## Class II permissive change request letter

**Manufacturer:** Telit Communications S.p.A  
**Model:** WL865E4-P  
**FCC ID:** R17WL865E4

We, *Telit Communications S.p.A*, pursuant FCC §2.1043 and pursuant IC RSP-100, hereby request the evaluation of a Class II permissive change as described below for the Telit WL865E4-P.

The changes made to the currently certified model are firmware related and do not degrade the characteristics currently reported and accepted.

The main changes introduced in the device:

- Band **5735 – 5835 MHz** for WLAN 5GHz has been enabled by SW configuration.

Therefore, the WL865E4-P model can be considered electrically identical to the corresponding already assessed radio module.

Operational Description, test reports, cover letter and Block Diagrams for this model have been developed.

Sincerely,

A handwritten signature in blue ink that reads 'Ken Bednasz'. The signature is written in a cursive style and is positioned above a horizontal line.

Ken Bednasz  
Vice President of Application Engineering
