

Dear Ms. Georgia Hall,

Re: FCC ID O7KML3245

We hereby send this letter to notify the FCC that said product FCC ID O7KML3245 is only programmable by authorized two-way radio dealers. Topaz3 model number ACC-907 programming software and model number ACC-2032 programming cable are required in order to change operating frequency of the radio.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gerald Happy'.
