

FCC ID : AAO6004263T

Subject : Change in FCC ID

We will submit a new application with the following statement in accordance with the provision in Sec.2.933 for the change in FCC ID.

- (1) Granted FCC ID for the original equipment : CVT604196AT
- (2) Granted date of the original equipment : March 31, 1998
- (3) Model number of the original equipment : ST-32733
- (4) Difference between the original equipment and the newly applied equipment
: Trade name and FCC ID
- (5) The original test results are regarded as representing the new model because of
no change in electric construction from the original model.

24 April, 2000

A handwritten signature in black ink, appearing to read 'M. Takahashi', is written over a horizontal line.
