

Testing Tomorrow's Technology

INTERNAL PHOTO LETTER

Date: October 18, 2019

Subject: INTERNAL PHOTOGRAPHS FOR: Inventek Systems ISM14585 Module,
FCC ID: O7P-14585 and IC: 10147A-14585

Inventek Systems does not have and cannot provide an internal photo of the ISM14585 Module, as this module is manufactured using a SIP (System in Package) process. This process results in the final module being encapsulated in the packaging material during the time of manufacture. Based on this, they are unable to provide pictures of the module without the cover.

Sincerely,

By:

Sandi McEnergy
