"Submit a drawing or photograph of the identification label.
Reference Section 2.925(a). If a drawing is submitted,
it must be accompanied by a sketch showing where it will
be placed on the equipment."

Please find uploaded into the 5805DBV submission folder;
a file named: " 5805BDV LABEL.PDF " This is a pdf file of
the mechanical drawing of the BACK PLASTIC and shows
the molded FCC ID NUMBER, in it's exact position on the
product. Please note that we had to send you a drawing
because the dark colored molded plastics do not photograph
well.

Best Regards,
