June 6, 2005

RE: Telematics Wireless, Ltd.

FCC ID: NTAFP200INT

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please note that in reference to the labeling for 15.19(a)(3), please note that we had only asked the FCC regarding the FCC ID: NTAFP200HH application. If you wish for us to proceed asking the FCC about this device, please let us know. However, estimated measurements from the photographs provided appear to show that the device may meet the 8 x 10 cm requirement. If so, it would be simpler to show that the device meets with this. Please let us know how you wish to proceed in this matter.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
