

Class II Permissive Change Letter

Date: December 6, 2022

This is to request a Class II permissive change for FCC ID: **2ABTU-EM74B**, originally granted on **11/22/2022**.

The major changes filed under this application is:

#1: Add a Host platform, Brand: RuggON, Product: Rugged Tablet, Model: Luna 3

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

Jay Wu/ Manager
RuggON Corporation
