Getting to Know Your Device

1. Using in Wet Conditions

Your device is water-resistant, which means it is rain-proof and splash-proof and can stand up to even the sweatiest workout. **NOTE:** Do not swim with your Smart Bracelet. We also don't recommend showering with your bracelet; though the water won't hurt the device, moisture is 24/7 does not give your skin a chance to breathe. Whenever you get your bracelet wet, dry it thoroughly before putting it back on.

2. Using Quick View

With Quick View you can check the time or the message from your phone on your Smart Bracelet without taping. Just turn your wrist towards you and the time screen will appear for a few seconds.
