

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a module, placed on a blue textured surface. The component is rectangular with various electronic components soldered onto it, including a large black integrated circuit (IC) and several smaller components. A black ruler with white markings is positioned horizontally below the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is oriented vertically, with its longer side parallel to the ruler.
Antenna View 1	 A photograph of the same green PCB component, viewed from the top. The component is rectangular with various electronic components soldered onto it, including a large black integrated circuit (IC) and several smaller components. A red rectangular box highlights a specific area on the top left of the component, labeled "WIFI/BLE Antenna". A red line points from the label to the highlighted area. The component is placed on a blue textured surface.
