

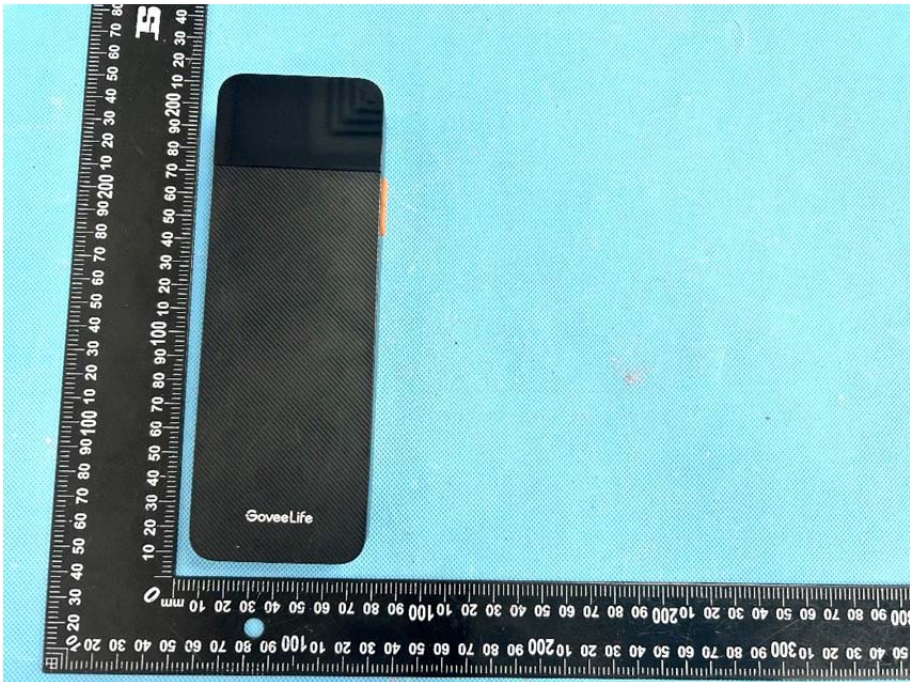

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model No.: H5192

EUT View 1	 A photograph showing the front of a black rectangular electronic device (EUT) with the brand name 'GoveeLife' printed near the bottom. To the right of the device is a coiled black cable with a silver-colored connector. A black ruler with white markings is placed vertically to the left of the device and horizontally below it for scale. The background is a light blue textured surface.
EUT View 2	 A photograph showing the back of the same black rectangular electronic device. The 'GoveeLife' brand name is visible near the bottom. A black ruler with white markings is placed vertically to the left and horizontally below the device for scale. The background is a light blue textured surface.

EUT View 5

EUT View 6

EUT View 7	 A black rectangular device, identified as 'Socallife', is shown next to a metric ruler. The device has a textured surface and a small orange indicator light on its side. The ruler is placed horizontally next to the device, showing its length is approximately 100 mm. The background is a light blue textured surface.
EUT View 8	 A close-up view of the bottom edge of the device. It shows a USB-C port and a small circular hole. A black plastic component is partially visible on the right side. The background is a light blue textured surface.

Model No.: H5191

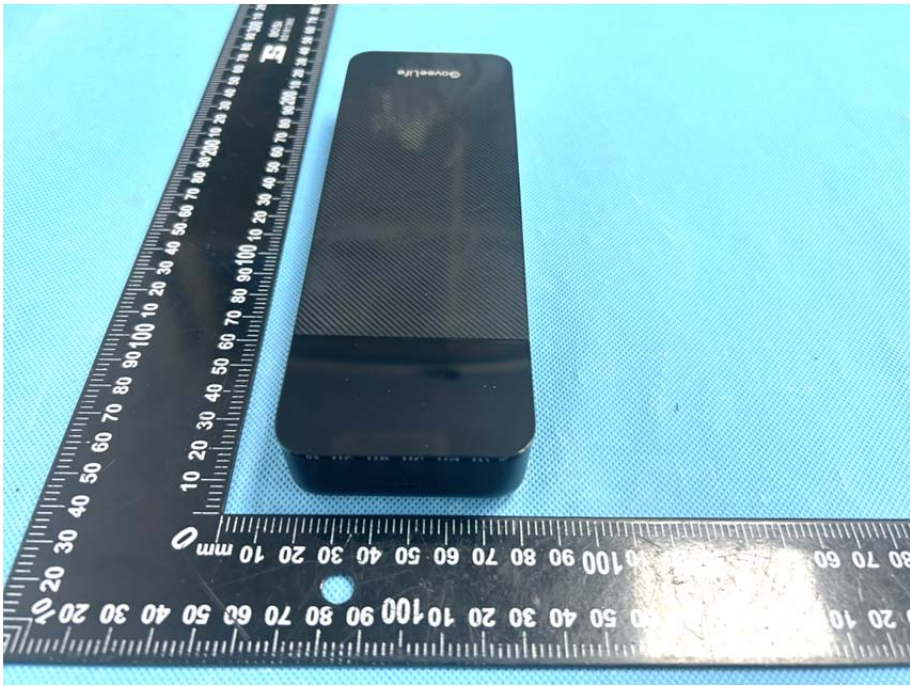

EUT View 1	 A photograph showing the front view of a black, rectangular electronic device, identified as the GoveeLife H5191. The device is positioned vertically next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device's front face is mostly black with a fine, grid-like texture. Near the top, there is a small, dark, rectangular area, possibly a screen or sensor. The brand name "GoveeLife" is printed in white near the bottom center of the device. The background is a light blue, textured surface.
EUT View 2	 A photograph showing the back view of the same black, rectangular electronic device. It is positioned vertically next to the same black L-shaped ruler. The back of the device is black with a fine, grid-like texture. Near the bottom, there is a small, circular feature, possibly a camera lens or a sensor. The brand name "GoveeLife" is printed in white near the bottom center of the device. The background is a light blue, textured surface.
