Dear Mr. Lyles,

Please find attached all files required for above referenced FCC ID application for certification of the Stylistic ST Series Pentablet PC, Model ST5010D (Ocampa) with Mini-PCI Wireless LAN Module (Atheros, Model WL3040 (11a+b/g)).

All files hereby submitted relate only to results for the application for the DTS (2.4 GHz).

As we are acting as agent in this process can you please ensure that all correspondence is addressed to our representative only (Agent – Mr. Chris Zombolas (chris@emctech.com.au).) This will ensure that no duplication of information and required files occurs.

I appreciate your assistance.

Regards

Donna Cleary
