Try all the optional Cush Fins and

The Cush Fin should be alligned

- Fully dry off the earbuds before putting in the charging case to avoid any damage to the case. The earbuds are sweat/water resistant but the case is not.
- Either earbud can connect to your device and be used independently. Simply take out the earbud from charging case and it will auto connect.
- Choosing the correct ear tip makes a significant improvement in audio quality due to proper seal for the driver, Try all ear tips for best results.
