

## **Model FB422: E-Labeling**

To view the Regulatory information, users are able to access the information in 3 steps:

- 1) Click Settings
- 2) Click Device Info
- 3) Scroll to the Regulatory Info

**Upon successful completion of software update when pairing, the Regulatory Info menu option will display the additional regulatory information.**

The information is stored on the device, no special accessories or supplemental plug-ins (e.g. a SIM/USIM card) are required to access the information. This E-Label is pre-programmed by the applicant. The user cannot modify the E-Label information. An image of the E-Label screen is shown below.
