

Mojo Networks, Inc.

339 N. Bernardo Avenue, Suite #200, Mountain View, CA USA

Class II Change Letter

Date: 2016/8/9

Federal Communications Commission
7435 Oakland Mills Road
Columbia MD 21046

To Whom It May Concern:

Request for Class II Permissive Change
FCC ID: TOR-C75 / Grant Date: 07/27/2016

Pursuant to CFR 2.1043, Mojo Networks, Inc. hereby requests a Class II Permissive Change.

Modification:

Adding 5GHz Band 2 and Band 3 (5250~5350 MHz, 5470~5725 MHz) for this device.

The device operates in the TDWR band.

There is no change in hardware or in existing RF relevant portion.

The product enables Band 2 and Band 3 via Firmware by factory.

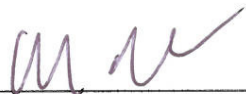

There is no any software that can be modified by end-user.

Sincerely,

Applicant's company name : Mojo Networks, Inc.

Applicant's company address : 339 N. Bernardo Avenue, Suite #200, Mountain View, CA USA
