

BRIO WORLD

Smart Tech Sound tillför en interaktiv ljuddimension till BRIO World, och giver barnet möjlighet att ta kontrollen över en flexibel och berikande lekupplevelse. Record & Play Engine, ett kraftfullt batteridrivet lok fullspäckat med lekfull teknologi, är hjärtat i Smart Tech Sound. Loket tillsammans med Actiontunnlar aktiverar barnet och ger det möjlighet att styra leken.

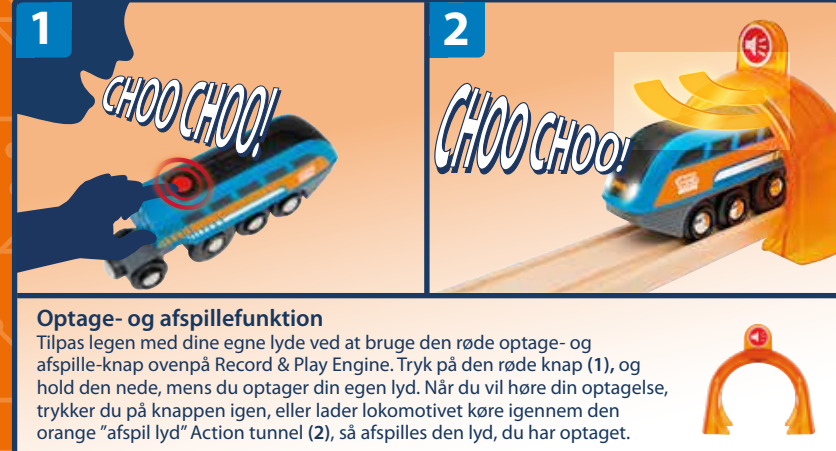

Du kan anpassa ljuden ännu mer om du ansluter ditt Record & Play lok till BRIO Smart Tech Sound appen där du själv kan redigera ljuden. När du är ansluten till appen kan du välja ett nytt ljud åt en Actiontunnel eller destination, eller så kan du spela in dina egna ljud via appen och ladda upp dem direkt till loket.

BRIO WORLD

Smart Tech Sound tillför ett interaktivt ljudbillede till BRIO World, och giver barnet möjlighet att ta kontrollen över en flexibel och berikande lekupplevelse. Record & Play Engine, ett starkt batteridrivet lokomotiv fullspäckat med legeteknologi, är hjärtat i Smart Tech Sound. Loket tillsammans med Actiontunnlar aktiverar barnet och giver barnet mulighed for at tage kontrol over legen.

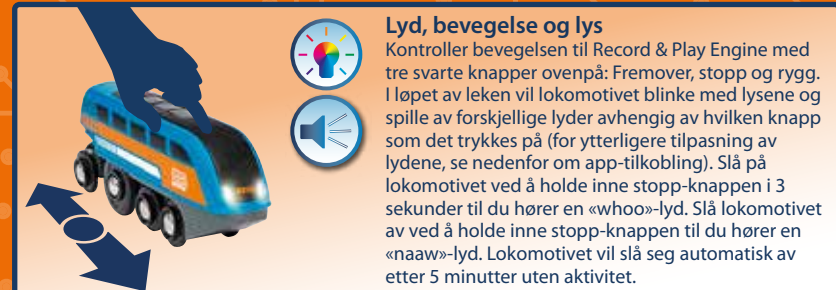

Du kan tilpasse lyden endnu mere, hvis du tilslutter dit Record & Play Engine til BRIO Smart Tech Sound appen og redigerer lyden. Når du er tilsluttet til appen, vælger du en ny lyd til den bestemte Actiontunnel eller destination, eller optager dine egne lyde via appen, og uploader dem direkte til lokomotivet.

BRIO WORLD

Smart Tech Sound legger til en ekstra dimensjon i BRIO World, hvor barna selv kontrollerer leken og endre på tingene som de selv vil. Record & Play Engine er et kraftig batteridrevet lokomotiv fullt av spennende teknologi og heltet i Smart Tech Sound. Lokomotivet vil sammen med de magiske tunnelene aktivere barna og gi dem kontroll over leken.

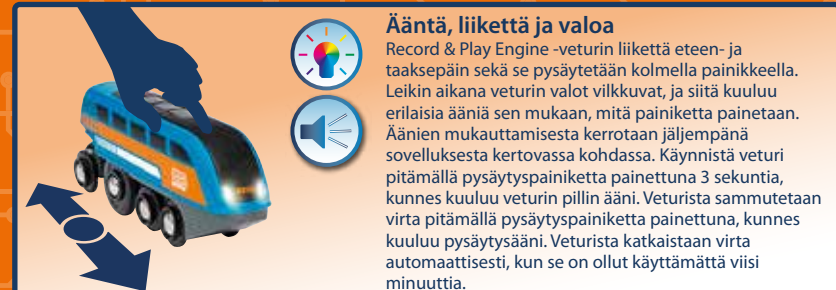

For enda flere måter å bruke lydd på, kan du velge å koble din Record & Play Engine til BRIO Smart Tech Sound-appen for å endre lyden. Når du er koblet til appen, kan du velge en ny lyd til din magisk tunnel eller reisemål, eller spille inn egne lyder med enheten og last lyden direkte inn i lokomotivet.

BRIO WORLD

Smart Tech Sound lisää vuoroajattelun äänikrokseen, joka kannustaa lapsia ottamaan vastuun mukautettavasta ja palkitsevasta leikkimälästä. Tehokas Record & Play Engine, leikkimälin kannustava tekniologia sisältävä lokot on Smart Tech Sound -sankari. Veturii ja toimintunnelit aktivoivat lasta ja saavat hänet ottamaan vastuun leikistään.

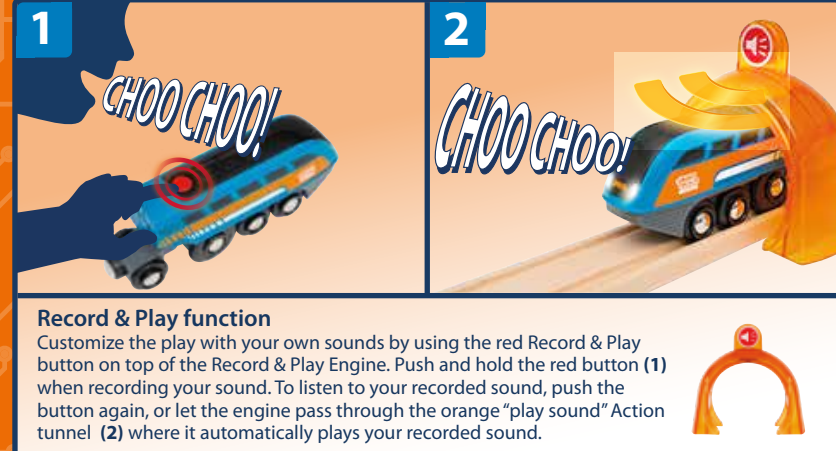

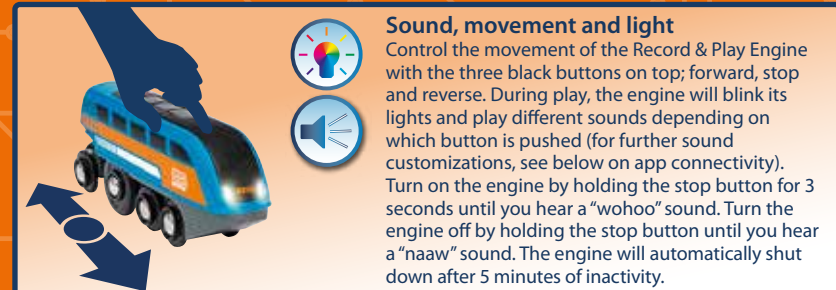

Record & Play Engine -veturiin voi yhdistää BRIO Smart Tech Sound -sovelluksen äänimaailman muuttamiseksi. Kun veturi on yhdistetty sovellukseen, voit valita uuden ääninä tiettyyn tunneliin tai kohteeseen tai tallentaa omia äänisiä laitteeseen ja ladata ne suoraan mihiin tahansa veturiin.

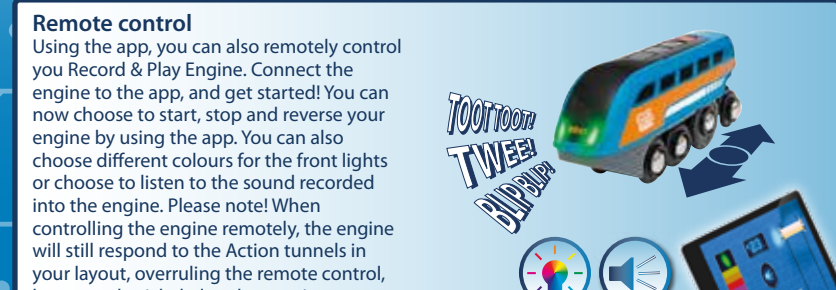

BRIO WORLD

Smart Tech Sound adds an interactive sound layer to the BRIO World, empowering children to take charge of a customizable and rewarding play experience. The Record & Play Engine, a powerful battery engine fully packed with playful technology, is the hero in Smart Tech Sound. The engine, together with the Action tunnels, activates the child and puts the child in charge of the play.

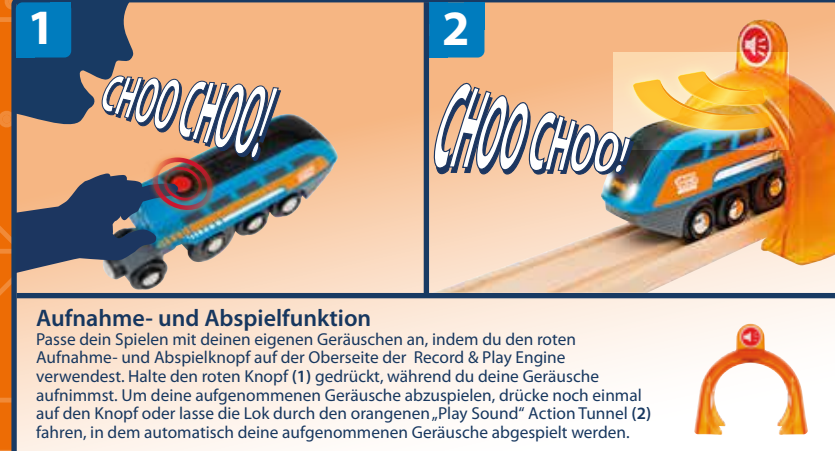

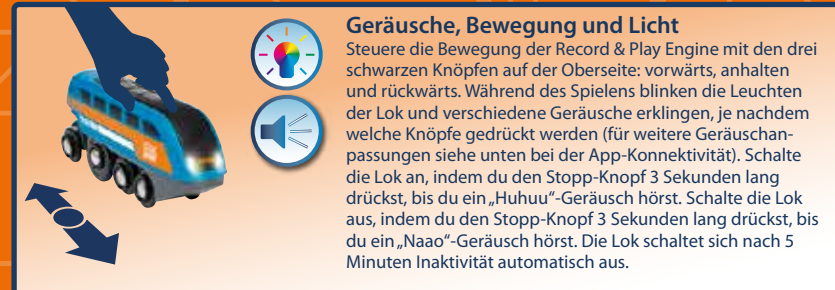

For even more sound customization, you can choose to connect your Record & Play engine to the BRIO SMART TECH SOUND app to modify the sound layer. When connected to the app, choose a new sound for a specific Action Tunnel or destination, or record your own sounds using the device and upload them directly to the engine.

BRIO WORLD

Smart Tech Sound BRIO World erweitert die um eine interaktive Geräuschebene und ermöglicht den Kindern ein eigenständiges, anpassbares und bereicherndes Spielerlebnis. Die Record & Play Engine, eine kraftvolle, batteriebetriebene Lok vollgepackt mit leuchtender Technologie, ist der Held von Smart Tech Sound. Zusammen mit den Action-Tunneln sorgt die Lok für ein aktives Spiel und gibt dem Kind die volle Kontrolle über das Spiel.

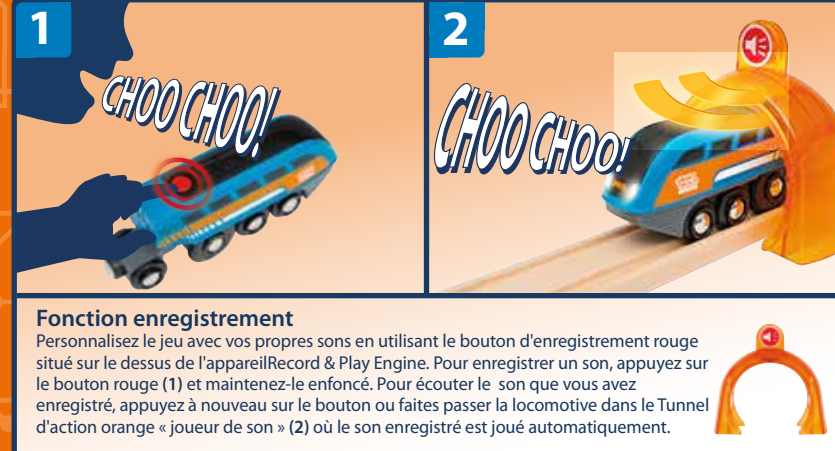

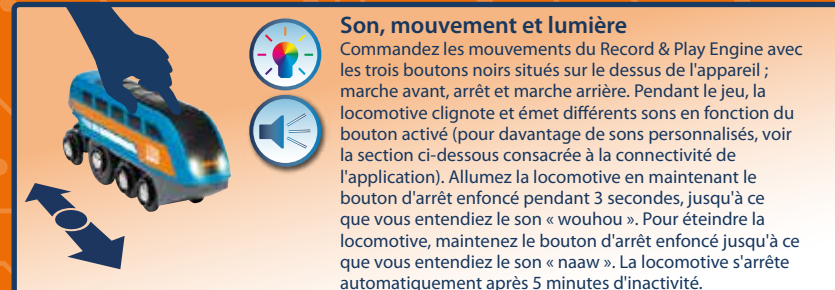

Um die Geräusche weiter anzupassen, kannst du die neue Record & Play Engine mit der BRIO Smart Tech Sound App verbinden, um die Geräuschebene zu verändern. Wenn du die Lok mit der App verbunden hast, kannst du neue Geräusche für einen bestimmten Action Tunnel oder einen Zielort festlegen oder mit dem Gerät deine eigenen Geräusche aufnehmen und direkt auf die Lok laden.

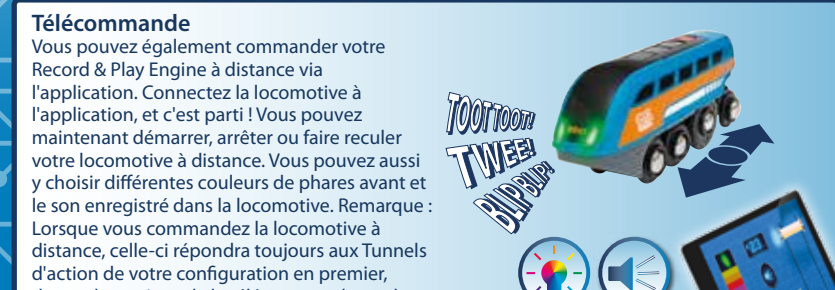

BRIO WORLD

Smart Tech Sound ajoute une dimension sonore interactive à BRIO World, et permet aux enfants de prendre les commandes d'activités ludiques personnalisables et gratifiantes. Le Record & Play Engine, une puissante locomotive sur batterie, véritable condensé de technologie ludique, est le héros de Smart Tech Sound. La locomotive et les Tunnels d'action stimulent l'enfant et lui confient les rênes du jeu.

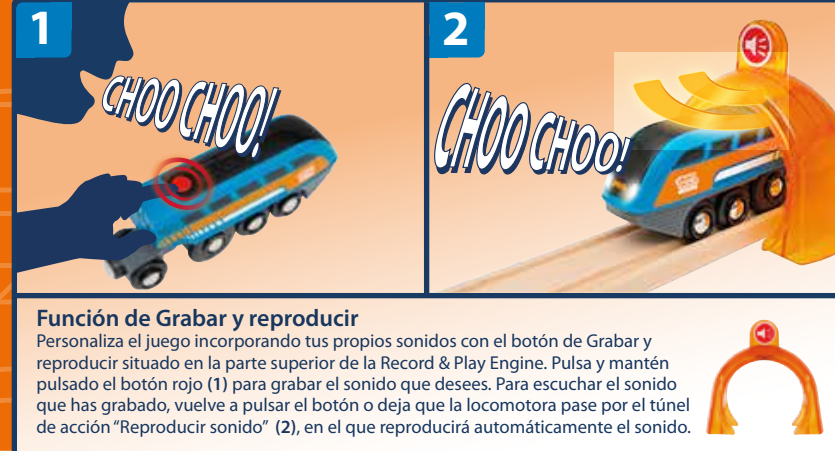

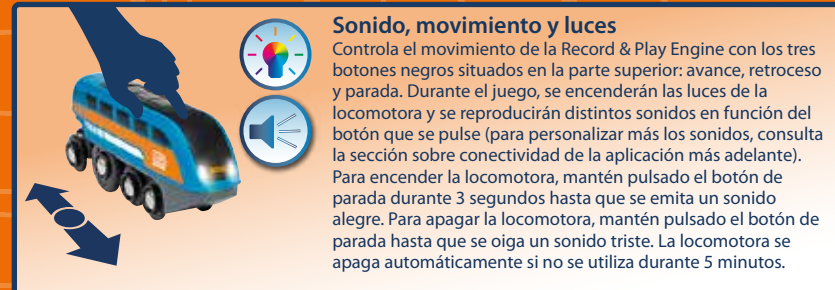

Pour de nouvelles dimensions sonores, vous pouvez connecter votre Record & Play Engine à l'application BRIO Smart Tech Sound. Une fois connecté à l'application, choisissez un nouveau son pour un Tunnel d'action ou une destination spécifique, ou enregistrez vos propres sons à l'aide de l'appareil et téléchargez-les directement dans la locomotive.

BRIO WORLD

Smart Tech Sound La tecnologia aporta un elemento sonoro interactivo a la BRIO World, lo que permite a los niños tomar las riendas de una experiencia de juego personalizada y gratificante. La Record & Play Engine, una potente locomotora a pilas con tecnología de juego, incorpora la tecnología Smart Tech Sound. La locomotora, junto con los túneles de acción, hace que el niño se involucre y tome las riendas del juego.

Para personalizar más los sonidos, puedes conectar la Record & Play Engine con la aplicación BRIO Smart Tech Sound y dondrás de más sonidos. Cuando te conectes a la aplicación, podrás elegir un sonido distinto para cada túnel de acción o destino a través de propios sonidos con tu dispositivo y cargarlos directamente en la locomotora.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Frequency range: 13.553 – 13.567MHz (RFID) and 2.4 – 2.4835GHz (Bluetooth)
Maximum RF power: -16dBuA/m@10m (RFID) and 0dBm (Bluetooth)

Hereby, BRIO AB declares that the radio equipment type 3971/33971/33972/33973/33974 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: www.brio.net
