

BC-AU-BE-119

PREMIUM

TRUE WIRELESS EARBUDS

With Charging Case

Package Contents:

- 1x True Wireless Earbuds
- 6x Ear Cushions in 3 sizes (2x Small, 2x Medium, 2x Large)
- 1x Type-C Charging Cable
- 1x Instruction Manual

Getting Started:

Before using this device, fully charge it (see below.)

Pairing:

1. Open the charging case and take out the earbuds. Both LED lights will flash red and blue until one of the earbuds flashes red and blue, while the other earbud flashes blue, indicating that the right and left earbuds have synced to each other.
1. Go to Bluetooth® Settings on your mobile device.
2. Turn Bluetooth® ON, on your device.
3. On your Bluetooth® device, select "BC-BE-119" from the list of available devices.
4. The earbud indicator lights will intermittently flash blue to indicate they are paired.

Using the Earbuds:

- 1 TAP- Play/Pause/answer call/end call
- 2 TAP- Vol+/Vol-
- 3 TAP- Enable Siri/Google
- long press 1-2 seconds- Prev/Next/Reject Call
- Long press 3-5 seconds- Power On/ Power Off

Charging:

1. Replace the earbuds in the case.
2. Connect the Type-C charging cable to the charging port in the center of the case.
3. Plug the cable into a standard USB 5V/1A or higher power output charger outlet. When you plug the case into a charging mechanism, the case indicator light will flash red and the earbuds indicator lights will glow steady red. When fully charged the case indicator light will glow steady red, and the earbud lights will shut off.
4. When fully charged, unplug the charging cable from the power source. The case indicator light will glow blue to indicate the internal battery is ready to be charged from. If want to charge the earbuds from the charge case internal battery, simply replace them in the case. The indicator lights on the buds will glow solid red, and shut off when fully charged.

Warnings:

- Do not use this unit for anything other than its intended use.
- Do not puncture, throw, drop, bend, or modify this product.
- Do not throw this product into fire or water.
- Do not short-circuit the battery with any metal or metallic objects.
- Do not expose this product to corrosive liquids such as salt water.
- Do not operate the unit if it has been wet or moist to prevent against electric shock and/or injury to yourself and damage to the unit.
- Do not allow children to play with this product as it is not a toy, and may present a choking hazard.
- Avoid leaving your device in direct sunlight, such as on the dashboard, console, or seat of a vehicle.
- Do not leave your device, or use your device, in any area where the temperature is likely to drop below 32°F, or may exceed 140°F, such as inside a closed vehicle on a hot day.

- To avoid damage to the charging case, please only use a USB 5V/1A or higher charger.
- In order to ensure the battery life, charge normally at least once a month.

Specs:

- Bluetooth version: 5.0
- Effective distance: 33 ft
- Frequency: 100 Hz – 20 kHz
- Case Input: DC 5 V/1A
- Charging time: 1-2 Hrs
- Charging Interface: Type-c
- Earbud battery : 30 mAh x2
- Charging base: 200 mAh
- Impedance: 32 Ohms

FCC ID:2AHN6-AUBE119

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Bytech NY INC. warrants this product to be materially free from defects and workmanship to the original purchaser for a period of 12 months from the original purchase date.

Bytech responsibility with regard to this limited warranty shall be limited solely to repair or replacement at its option, of any product which fails during normal consumer use. This warranty does not extend to damage or failure which results from misuse, neglect, accident, alteration, abuse, improper installation or maintenance. At any time during the 12 months period following the purchase, the product fails due to defects in material or workmanship, return the defective product (with freight prepaid) with proof of purchase.
