**Confidentiality Request of internal photos**

Date: 22<sup>nd</sup> Feb 2024

**Request for long term confidentiality of the Internal photos for our short range radar sensor  
with FCC ID: L2CQFLR4PS**

Dear Sirs,

We Aptiv Services US, LLC would like to kindly ask you for a long term confidentiality of the internal photos from our short range radar sensor due to following reasons:

Our radar sensors are fully laser welded and cannot be opened and accessed by public persons. None of the public manuals include internal photos.

In case of failures the sensors can only be maintained/replaced by professional designated technicians trained and working at appointed OEM car shops.

L2CQFLR4PS sensor is using a special Aptiv developed technology which we would like to protect from competitors.

**Please see also the enclosed NDA**

Yours Sincerely
