To whom it may concern,

Professional Installation Justification:

CommScope declares that the C1004W (FCC ID: TOUC1004W) units are not sold or marketed to the general public. And declares that the C1004W (FCC ID: TOUC1004W) units are only installed by professional installer and handled by them also, not for end users.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read "Tom Anderson", with a long horizontal flourish extending to the right.
