

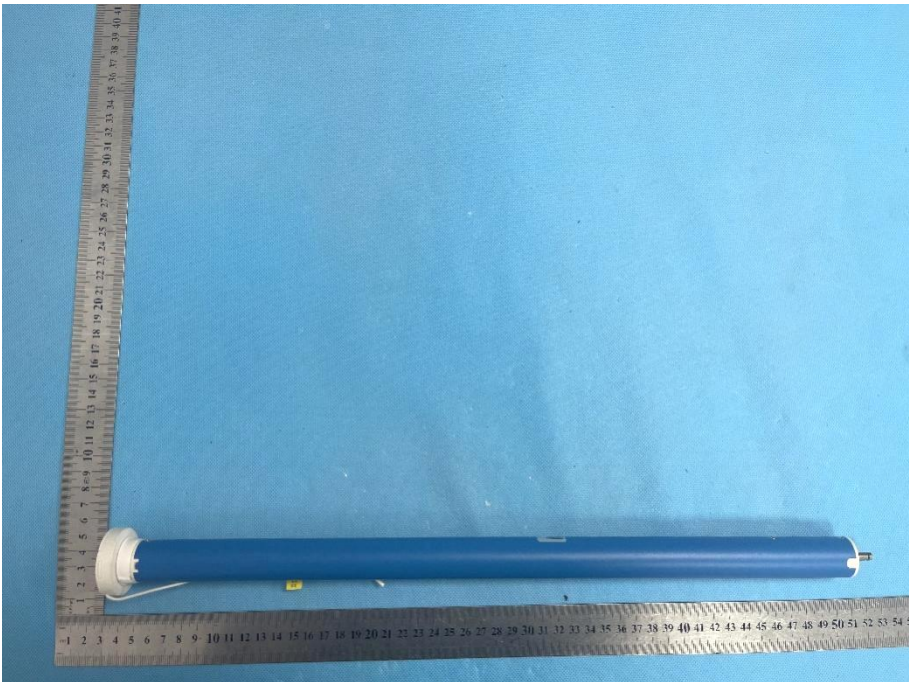

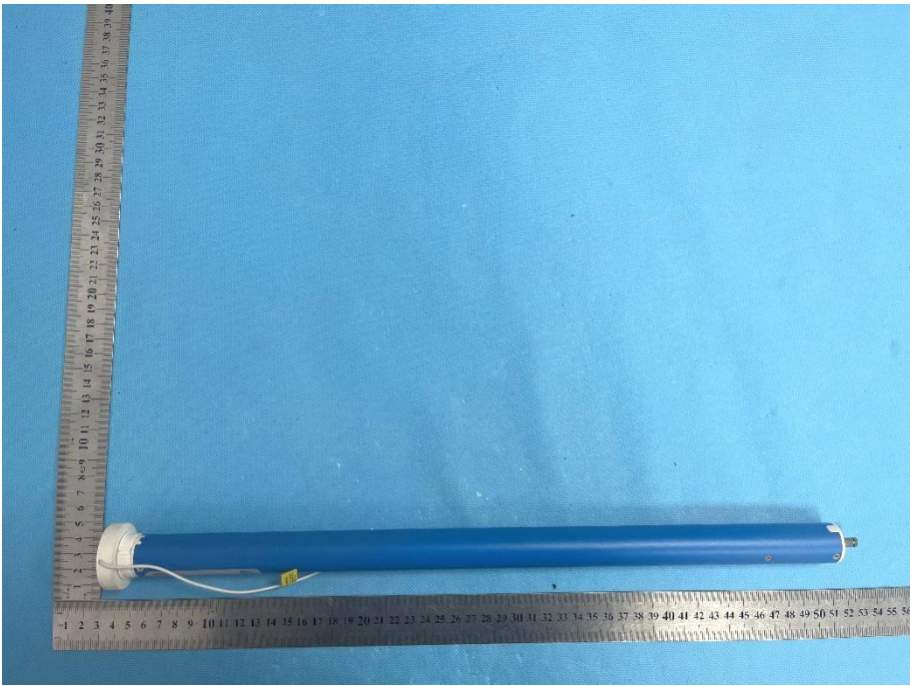

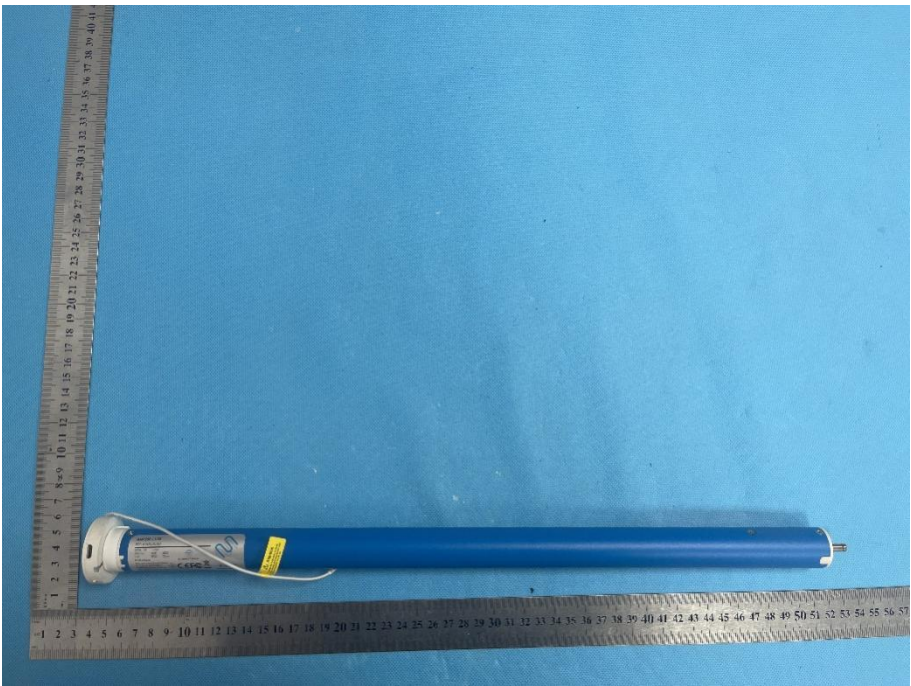

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

Model: AMP25B-1.1/28

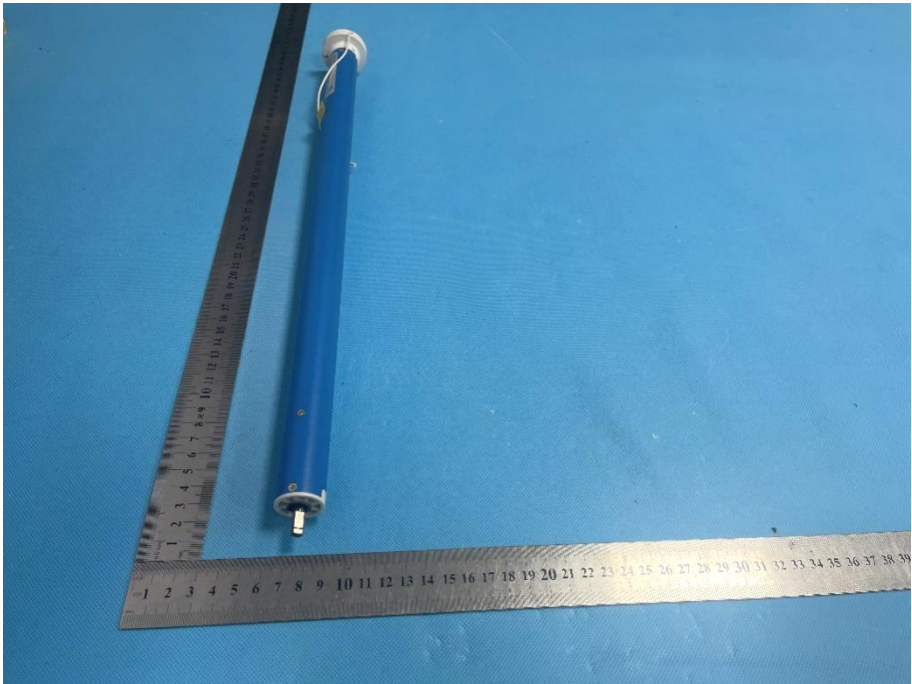

EUT View 1	 A photograph of a blue cylindrical device, likely a battery or capacitor, lying horizontally on a blue surface. A metal ruler is placed vertically to the left of the device, showing its length. The device has a white cap on the left end and a small yellow label near the center. The ruler markings are visible, indicating the device is approximately 15 cm long.
EUT View 2	 A photograph of the same blue cylindrical device, lying horizontally on a blue surface. A metal ruler is placed vertically to the left of the device, showing its length. The device has a white cap on the left end and a small yellow label near the center. The ruler markings are visible, indicating the device is approximately 15 cm long.

EUT View 3	 A photograph showing a blue cylindrical device, likely a USB drive or similar electronic component, lying horizontally. The device has a white cap on the left end and a yellow label near the center. It is placed next to a ruler for scale. The ruler shows measurements in centimeters, with the device spanning from approximately 10 cm to 45 cm.
EUT View 4	 A photograph showing the same blue cylindrical device from a different angle, still lying horizontally. The white cap is on the left, and the yellow label is visible. The device is placed next to a ruler for scale, showing it spans from approximately 10 cm to 45 cm.
