Re: FCC ID: 2ADCB-RMODIT3

To Whom It May Concern:

The following application is submitted on behalf of our client, Acuity Brands Lighting, Inc., for evaluation of their model RMODIT3 for a C2PC certification under FCC Part 15.247.

C2PC to integrate the module into a series of portable wall switches.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
