EUT 5

Model Name: CODA-5610

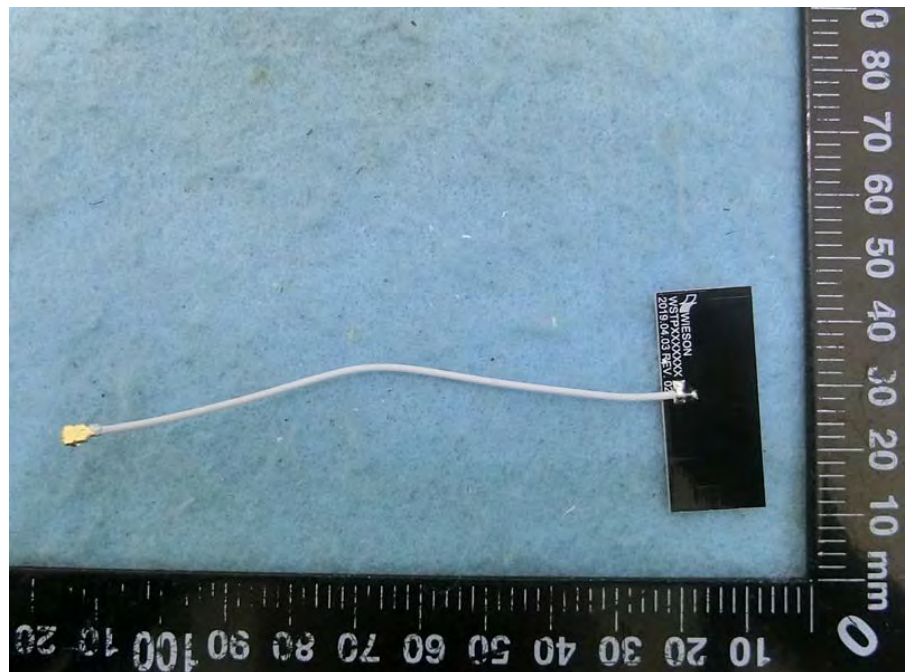

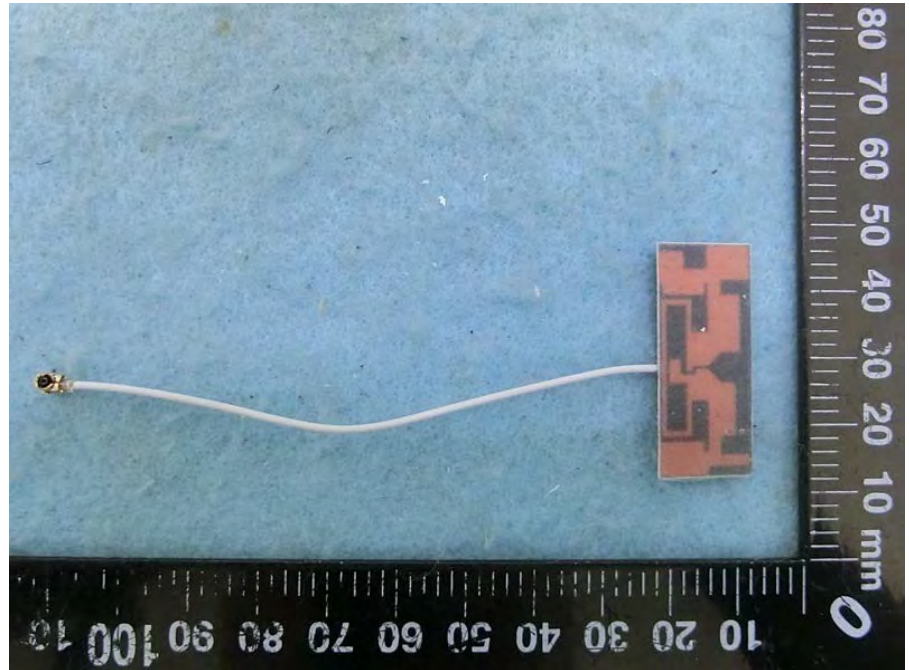

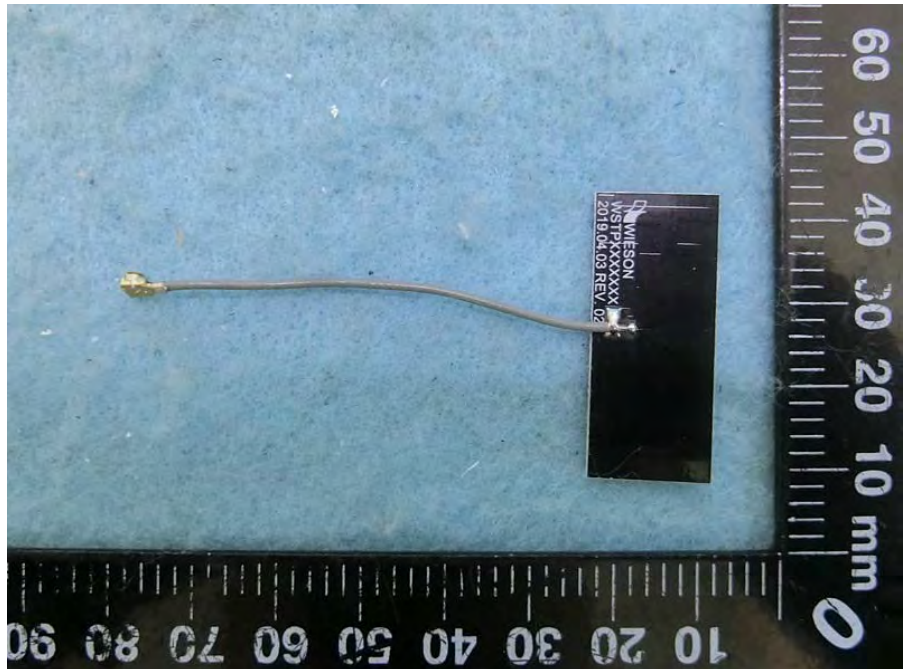

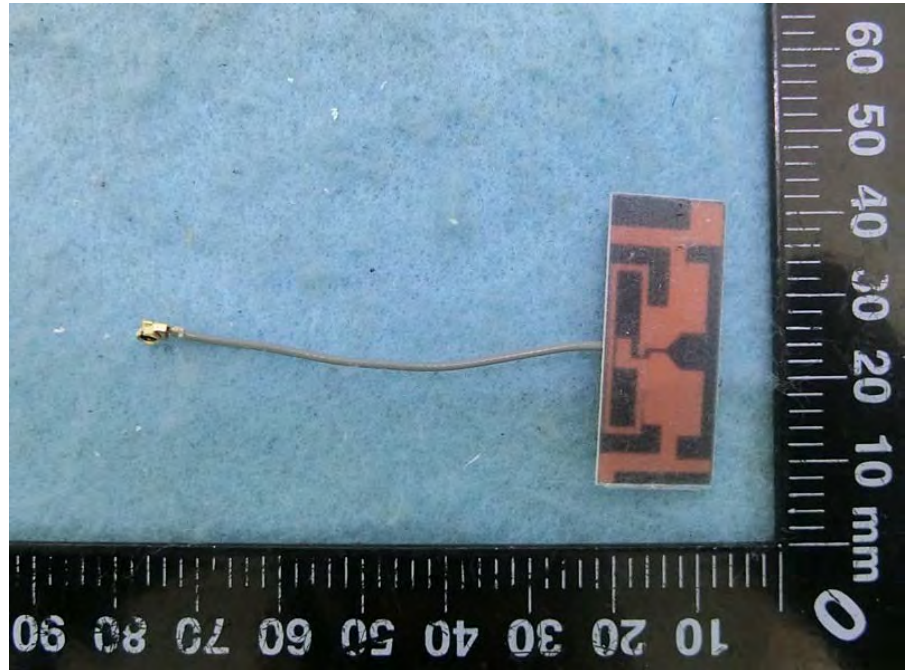

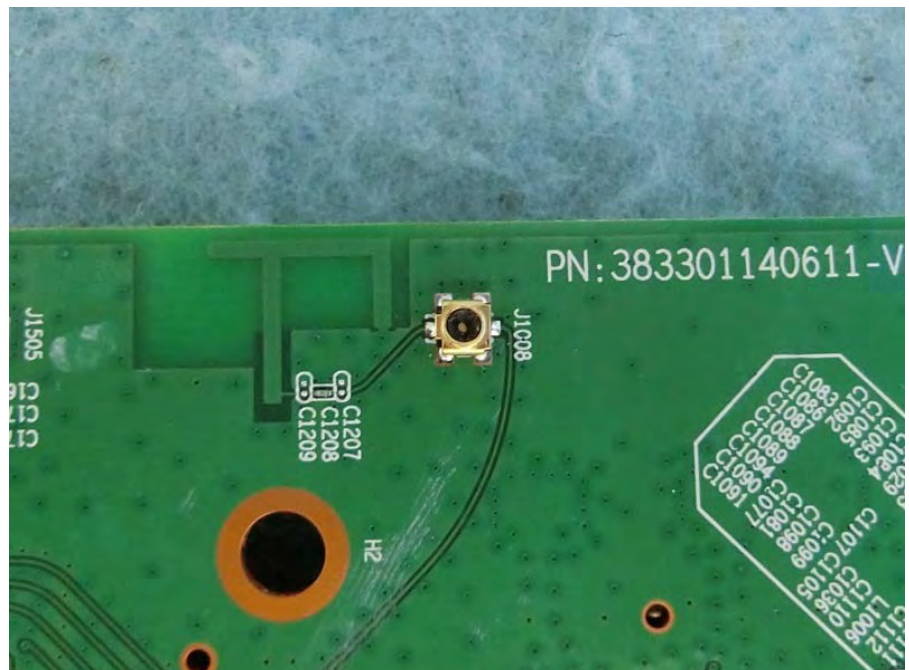

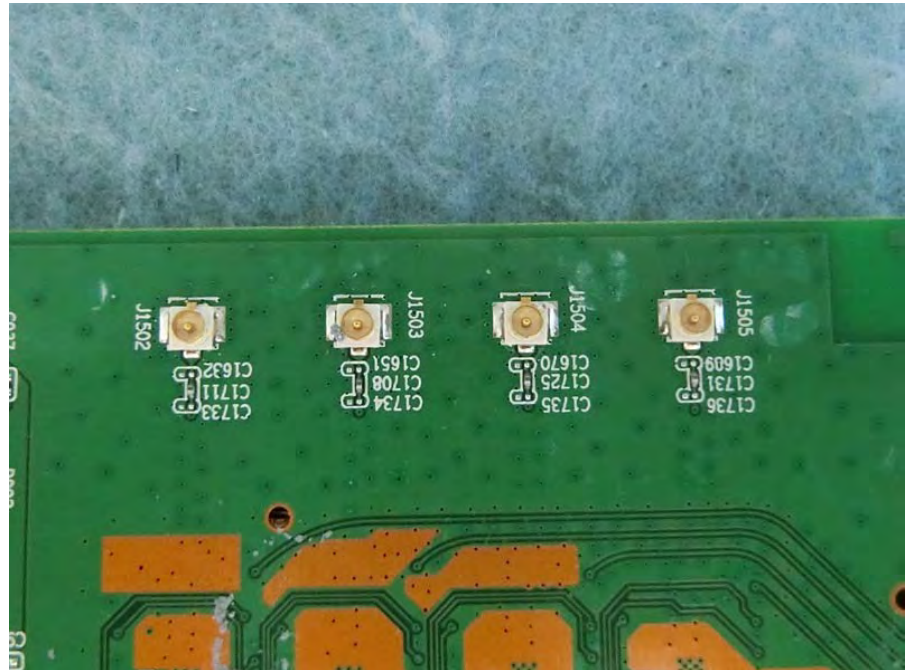

This image shows a close-up of a green printed circuit board (PCB) with various electronic components and their labels. The components include:

- Central Component:** A square component labeled "NSK J 257NB" is mounted in the center, surrounded by a white square outline.
- Resistors:** Several resistors are visible, labeled with "R2613", "R2625", "R2626", and "R2627".
- Capacitors:** Multiple capacitors are labeled, including "C2616", "C2638", "C2639", "C2642", and "C2641".
- Inductors:** Two inductors are labeled "TP2602" and "TP2603".
- Other Components:** A large orange circular component is visible at the bottom, and a small component labeled "Y2600" is located near the center.
