

Solder Board-Component View 7	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 7'. The board is rectangular and populated with 16 surface-mount LEDs, labeled LED1 through LED16, arranged in two rows of eight. The board also features a gold-plated connector on the left side and a small circular component near the center. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows the component is approximately 100 mm long and 10 mm wide.
Solder Board-Component View 8	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 8'. The board is a plain green rectangle with two small circular holes at the ends. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows the component is approximately 100 mm long and 10 mm wide.
