Warning Statements and Location for application to FCC for WEM-200

FCC ID: 2AJ99-WEM-200

The North American version (FCC) of the User Manual for the WEM-200 will include the following statements:

FCC

(§15.19 Labelling requirements)

This device complies with part 15 of the FCC Rules and Industry Canada License-exempt RSS standard(s) Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference, and
- 2) This device must accept any interference received, including interference that may cause undesired operation

(§15.21 Information to the User)

"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment"

(§15.105 statement)

"This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide a reasonable protection against harmful interference in an industrial installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and uses in accordance with the instructions, may cause harmful interference to radio communications.

Saint Cyr sur Loire, September 16th, 2019, Mr Salem BOUSHABI
