FCC Compliance

This device complies with Part 15 of the FCC rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including any interference that may cause undesired operation.

Note!

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment and void warranty.
