

A white and blue portable electronic device, possibly a small computer or data logger, is shown. It has a white main body and a blue front panel. The front panel features a small, dark, rectangular screen and a power button with a power symbol. The device is placed on a blue surface next to a ruler, which shows measurements in centimeters. The ruler is marked from 0 to 30 cm on the left and 40 to 70 cm on the right. The device is approximately 15 cm wide and 10 cm high.

A photograph of the back of a white mobile phone. The phone is lying on a blue surface. A black arrow points to the camera lens, which is located in the center of the back. The phone has a speaker grille at the top and four yellowish circular marks at the corners. A ruler is visible at the bottom of the image.
