FCC Part 15.247 Certification
Request for Confidentiality**

In accordance with 0.457 and 0.459 of CFR 47, Itronix Corporation hereby requests confidentiality of the Block Diagram, Schematic Diagrams, and Operational Description exhibits for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Itronix Corporation considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Itronix Corporation considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
