

**FCC WARNING:** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received, including interference from authorized radio transmission devices. If this device does not meet the FCC Part 15 requirements, you may be required to take certain actions to ensure proper operation. For more information, please visit the FCC website at [www.fcc.gov](http://www.fcc.gov).

**WHEN USING A KEYBOARD:**

- 1. Do not use the keyboard for more than 2 hours at a time.
- 2. Do not use the keyboard in a wet or humid environment.
- 3. Do not use the keyboard near a fire or other heat source.
- 4. Do not use the keyboard near a strong magnetic field.
- 5. Do not use the keyboard near a strong electric field.
- 6. Do not use the keyboard near a strong radio frequency field.
- 7. Do not use the keyboard near a strong electromagnetic field.
- 8. Do not use the keyboard near a strong static electric field.
- 9. Do not use the keyboard near a strong static magnetic field.
- 10. Do not use the keyboard near a strong static electric or magnetic field.

**GUARANTEE**  
No human damage  
12-month warranty

**ISED STATEMENT:** This device complies with the requirements of the Canadian Radio-television and Telecommunications Commission (CRTC) for Class B digital devices. It does not interfere with radio reception and is not susceptible to radio interference. For more information, please visit the CRTC website at [www.crtc.gc.ca](http://www.crtc.gc.ca).

**BATTERIES:**

- 1. Do not use the keyboard for more than 2 hours at a time.
- 2. Do not use the keyboard in a wet or humid environment.
- 3. Do not use the keyboard near a fire or other heat source.
- 4. Do not use the keyboard near a strong magnetic field.
- 5. Do not use the keyboard near a strong electric field.
- 6. Do not use the keyboard near a strong radio frequency field.
- 7. Do not use the keyboard near a strong electromagnetic field.
- 8. Do not use the keyboard near a strong static electric field.
- 9. Do not use the keyboard near a strong static magnetic field.
- 10. Do not use the keyboard near a strong static electric or magnetic field.

**GUARANTEE**  
No human damage  
12-month warranty
