SUBJECT: FCC Application for 2AC7B-G6400OPT

To Whom It May Concern:

The Inenco Group Ltd, as the grantee of this project (FCC ID: 2AC7B-G6400OPT – Inenco G6-400 Secure Payment Terminal with NFC), hereby declares that this product meets the definition of a composite system, as defined in §2.947(f), and has been tested accordingly.

The digital device along with the supporting ancillaries and external ports (Printer, Display, Bar Code Reader, Ethernet port etc) are part of a subsystem that is classified as a Class B digital device, as defined in § 15.101.

This subsystem has been authorized under the Supplier's Declaration of Conformity procedures.

The final product shall consequently comply with FCC rules for composite devices using Certification and SDoC procedures.

Yours sincerely

A handwritten signature in black ink, appearing to read "Chris Henry". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.

Chris Henry
Chief Engineer
