Dear Sir/Madam,
We, Motic China Group Co., Ltd, hereby declare that we have a product named as Biological Microscope (model name: Panthera D, FCC ID: PVEPANTHERA) was tested by BACL, Meanwhile, for our marketing purpose, we would like to list a series model (Panthera I, Panthera DL, Panthera i fixed-kohler) on reports and certificate. The differences of them are model names and the PCB that controls the LED. Compared with Panthera D, Panthera I only has the difference of model name. For Panthera DL and Panthera i fixed-kohler, the PCB that controls the LED is different except for the model names. We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,
