The Netherlands

Subject: Requesting Class II permissive change for FCC ID: FKGW01R8

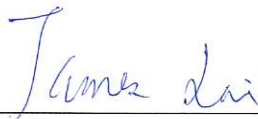

To Whom It May Concern:

We, Twinhead International Corporation hereby declare that the intention of this Class II Permissive Change is to enable LTE band 48 via software to the certified module (Host: Tablet / Model: R8XXXXXX (X=0-9, A-Z,a-z, Blank) / Brand: DURABOOK)) which was granted on 10/ 05 /2022 under FCC ID: FKGW01R8.

The modules mentioned above have been approved and are electronically and mechanically identical to the original instructions and requirements. Therefore, we, Twinhead International Corporation, take the responsibility to ensure each module complied with all requirements after integration in the host and when modules are transmitting simultaneously.

Please contact me if you have any questions or need further information regarding this application.

Best Regards
