**Authority to Act as Agent**

On our behalf, I appoint **7layers GmbH, Borsigstrasse 11, 40880 Ratingen, Germany** to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in FCC's regulations will have affixed to it a label identical to that submitted for approval with this application.

In signing this document I also agree that our equipment below shall not be distributed, sold, offered for sale or leased in the United States before the details of its certification have been added to the FCC radio equipment list by Curtis-Straus LLC Certification Body. I understand that details of the filing may be published by the FCC.
