RE: FCC Labeling Requirements
FCC ID: PU5MS2146BG

The following label information is required by the FCC Rules and Regulations for certified devices.
Please find marketing information required by the FCC Rules and Regulations as following:

Label Requirements

An intentional radiator device subject to certification by the FCC shall carry a warning label which includes the following statement: (Due to space limitation, this statement will be shown on Users' Manual Page 95.)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The sample label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase.

FCC ID: PU5MS2146BG

Thank you for your attention to these matters.

Sincerely,

Jammy Chen / Sr. Director
