Solder Board-Component View 3	 A photograph of a small green printed circuit board (PCB) component, labeled '3', placed on a blue textured surface. The component features two gold-plated connectors on the left and a black cylindrical component on the right. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 100 mm.
Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled '4', placed on a blue textured surface. The component has several surface components, including a black cylindrical component and two small silver components. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 100 mm.
