

Solder Board-Component View 10	 A photograph of a small electronic component, labeled 'NT-C06C_Sen' and '2020.11.07', mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length spanning approximately 10 mm.
Solder Board-Component View 11	 A photograph of a larger electronic component, labeled 'NT-C06C_Sen' and '2020.11.07', mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length spanning approximately 40 mm.

Solder Board-Component View 14	 A photograph showing a rectangular silver component, likely a battery, with a yellow adhesive strip on one side and a red and black cable attached. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	BT Antenna  A photograph showing a circuit board with various components. A red box highlights a small component labeled "BT Antenna". A red line points from the label to the component. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
