Date: Nov. 28, 2018

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046
USA

Attn: OET Dept.

Product/ Model Number: HIHI-40KH-TAB / 40KH, QN_103

Regarding FCC Country Code Selection guidelines identified in KDB 594280.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Name: Harriet King
Title: Product Manager

Signature of applicant

A handwritten signature in black ink that reads "Harriet King". The signature is written in a cursive, flowing style. The first name "Harriet" is written in a larger, more prominent script, and "King" follows in a similar but slightly smaller script. The signature is placed over a light gray rectangular background.
